Fall Semester 2026-27 | Curriculum Slot Directory

Academic Session:	Fall Semester 2026-27
Curriculum Categories:	Discipline Core (DC), Discipline Elective (DE), Open Elective (OE)
Total Subjects:	13 Distinct Course Codes (Theory & Lab)
Planning Structure:	VIT-Style 13-Period Slot Matrix (Periods 1-13)
Document Scope:	Category-wise and Slot-wise Course Reference Listing

Note: This document provides a structural layout of all offered courses, their associated credits, and individual faculty scheduling slots. Use this directory to analyze class time-slot co-occurrences, plan morning/afternoon session distributions, and construct a clash-free timetable in the interactive scheduling portal.

1. Category-wise Course Catalog

This section groups all offered courses by their curriculum category. For each course, the required credits and all available faculty/slot sections are provided.
